

# WOW Winnipeg

## What You Do

Participants visit the following post-secondary institutions and can experience careers in the following fields:

### University of Manitoba

- Agricultural and Food Sciences
- Biological Sciences
- Chemistry
- Engineering
- Geological Sciences
- Kinesiology and Recreation Management
- Native Studies
- Peace and Conflict Studies

### The University of Winnipeg

- Criminal Justice
- Education
- Geography
- Theatre and Film

### Red River College

- Aviation and Aerospace
- Business
- Construction
- Creative Communications
- Electronics

Note: Career lessons may vary based on availability

## Interested in coming back to Career Trek?

Yearly we look for a group of students to be a part of our Junior Staff Mentorship program.

Junior Staff Mentors are Career Trek Wonder of Work graduates and high school students entering grades 10, 11, or 12. Our Junior Staff Mentors help our on-site staff to deliver programming at various educational training sites such as the University of Manitoba, University of Winnipeg and Red River College.

Junior Staff can expect to:

- Assist staff in delivering lessons and supervising students
- Engage participants and their families in fun, experiential learning activities
- Learn the value of career development and how to develop your own career goals
- Enrich programs by linking staff and students
- Experience the passion of teaching
- Serve as mentors

## Proudly funded by:

Graham C. Lount Family Foundation  
Louis Riel School Division  
Province of Manitoba  
River East Transcona School Division  
Seine River School Division  
Seven Oaks School Division  
Winnipeg School Division
